Business Line of Credit (LOC)

Business owners can you use a traditional LOC? We're offering a LOC up to \$500K. The state that you live in dictates the maximum LOC amount.

Basic criteria includes:

Business Length: 2+ years

Business must generate \$300k+ in gross annual income

All business owners with 10% interest or more in the business must have 730+ FICO score and low personal credit card debt (20% or less utilization).

If approved, you can draw down 100% of your line in cash for immediate use.

Interested in this product? We need the following information in order to get a funding and rate estimate:

1. Type of business/industry?
2. How long has the company been a legal entity business?
3. How many owners?
4. City & state of business?
5. City & state of owner(s)?
6. Gross sales & net income for 2017?
7. Gross sales & net income for 2018?
8. Does the business have any existing LOCs and/or Loans?
9. Tri-merge credit report and FICO scores of all owners with 20% or higher ownership
